MEETINGS ARE HELD THE FIRST AND THIRD MONDAYS AT 6:30 PM AT THE ELKS LODGE, 2567 ST. RT.22 & 3E

Next Meeting December 17, 2007-Christmas Party

On December 17, plan on joining us for our annual Christmas party. This year's party will again feature a good selection of wild life meats including venison meatloaf, pheasant, wild turkey and ham. The meal for this party will be prepared again this year by Lion Bill Holdren and the members of the Christmas Party committee. This party was planned for extra quests so bring a prospective member, a friend or your spouse. Before dinner, we will be treated to the musical talents of the students making up the Wilmington High School Jazz Band. Don't miss this special evening as we celebrate this wonderful Christmas season with a great group of friends who just happen to be Lions.

Last Meeting-December 3, 2007- Steve Brown-Downtown Wilmington Project

At our last meeting, Steve Brown- Main Street Wilmington Executive Director shared with us the background of the Downtown project and what they hope to accomplish in the future. The Main Street Downtown Committee consists of four groups of volunteers who focus all their attention on the organization, promotions, economic restructuring and design needed for growth in our downtown area. A recent promotion the HoliDazzle Parade was discussed because it was a huge success and was very effective in bringing people to the downtown area. Steve was very positive about the outlook of our downtown area and he answered several questions that gave us insight on what is happening to fill buildings and to promote more events in the downtime area.

Candy Store

At this time, we are in the fifth week of our annual Candy sales project. Sales have been very good this year and we are getting very close to our break-even point. We will continue to sell candy on a daily basis at the bookstore and we will also have candy available at several locations this weekend. With your support, we have been able to meet our manpower needs at all locations. We only have a few weeks left and still have some open slots. Please signup now if you want to help and also make plans to join us regularly to pack candy at the bookstore. If you haven't signed up yet, please call Lion Co-Chairmen Bob Wilson, Len Perkins or George Mitchell.

Membership

We currently are still officially at 95 members. We have one new application awaiting Board approval, which if approved will bring us up to 96. We are falling behind on our objective of adding two new members each month. As you know, we have several major projects scheduled for the upcoming year and we'll need new members to help us. Do your part to help our Club grow by giving the membership committee a list of any prospective members

or simply bring these special individuals to one of our regular meetings. The future of our Club and Lionism depends on your helping to make us grow!

Flash from Floyd Newberry (PID that is)

WOW!!! What a month this has been!! I honestly don't remember too much of it, but I do remember enough to know that I probably couldn't have made it had it not been for you, our friends. Thank you one and all for the prayers, the flowers, the cards, and most especially for the support that you have given Governor Elaine because she has been burning the candle on both ends, working very hard to be a good Governor and a wife and caretaker.

What does all of this have to do with MEMBERSHIP? Not a darn thing directly, BUT had not my skilled surgeon been able to save me, there would be one less Lion in District 13J! The next time, we might not be so lucky! The point is, let us all go out and get ourselves a Christmas present!—A NEW MEMBER! What a nice gift for your club, for our District, and for the new Lion him/her self. You would give the gift that never stops giving—membership in Lions Clubs International.

Aches and Pains

Several Lions are ill and continue to need your prayers. Lion Arnold Lansing continues to recover from the affects of a stroke, Lion Ginny Holl is still experiencing back pain suffered when Gerry fell and Gerry is not able to walk without help now. Gerry is also having trouble communicating. They're planning to return to Wilmington after Christmas. We certainly do pray that all of these Lions quickly return to the best health possible and that the Holl's have a safe trip home.

Other Information

- ◆ Lion Kathie McCarty was the winner of a free meal for the December 17th meeting. At each of our regular meetings, a drawing is held and one lucky Lion will receive a free meal at our next meeting.
- ◆ At each regular meeting, we have a 50/50 drawing. Lion Thelma Pierson was the big winner at our last meeting. Half of the money from the ticket sales goes to the winner and the other half goes to the Club. Be sure to get your tickets before the meeting!
- ◆ We now have a new supplier for our Lion shirts, vests and hats. Contact Lion Lynn Camp at our next meeting to order a vest, shirt or other Lion apparel.
