

FAIRBORN LIONS NEWSLETTER

OF FAIRBORN, OHIO

Lion President Beth says:

Hi Folks. Sorry I have been neglecting the newsletter the last month. Things have been hectic for me. As some of you know, mom was admitted to the hospital on Christmas Day and then released on 7 Jan. She is doing better but has to have 24 hour help yet. She has to use a walker and wheelchair yet. As you know, the pancake breakfast is fast approaching. The date is 26 Feb and it is from 8-11 am. Please make sure that you come and help with it. We

need all club members to help with this. Tickets have been distributed so make sure that you are selling them but also let folks that can't buy them that they can pay at the door.

On 10 Mar, our club is hosting the Zone 1 business meeting. Please make sure that you come to the dinner meeting on 7 Mar. We will be setting up for the zone meeting plus counting glasses that night for their turn-in. On the den sale, bad news is that the church backed out. Good news is that we have several groups interested with one of them highly interested. Lion Cathy Doyle and I went to WSU on 4 Feb and did interviews for the scholarships. We will be presenting the recipients the scholarships on the WSU basketball game this Wednesday (16 Feb), which is Fairborn Night. I hope that you

can make it to the game. While I am on the subject of WSU, they have placed plaques on some of the dog park accessories. I thought that I sent the pictures home but didn't. I will print them out so that you can see what they look like.

I know that everyone is tired of hearing me harp on this subject but it is of utmost importance. Folks, WE NEED MEMBERS. I am very concerned that we are going to lose this club and I don't want that to happen. This is a great organization and everyone should be proud to be a member of it. I am planning to have paperwork at the business meeting for everyone to look at. It will be all the Ohio Plan items but we specifics to our club. We need to figure out the date that we are going to hold this special meeting. I can't do this by myself. Some of you have supplied me with names and addresses of contacts. For those of you that haven't, please do so. The more, the better. Also, please remember that if you can't attend a dinner meeting (the first Monday of the month), that you need to contact Lion Ray (878-3327) NLT the Thursday before the meeting. If not, you will be charged for the dinner.

He has to let Kathy know that number of members that will be there and we have to pay her for that number. Bottom line is that if you don't cancel, you are counted for.

We have a lot to accomplish at the business meeting next Monday so I hope that you can make it. As normal, if you have any questions or concerns, please feel free to contact me. Stay safe and I will see you in a week!

May God Bless all of you.

President Beth

BETH'S CHALLENGE:
Are you wearing your Lions Pin when you are out in public?
